

TOPIC 7: JESUS AND HIS FAMILY

1. Jesus' Siblings (Matthew 13:53–56; Mark 6:1–3)

The Gospels mention Jesus' brothers (James, Joseph/Joses, Simon and Judas) and sisters. In Nazareth, people were astonished that someone from a local family could teach with such wisdom and power. This shows that Jesus grew up in a real human family.

2. Obedience to Parents (Luke 2:51–52)

After the incident in the temple at age twelve, Jesus went down to Nazareth with Mary and Joseph and was submissive (obedient) to them. He increased in wisdom and stature, and in favour with God and man. Even as the Son of God, He modelled honour and obedience to His earthly parents.

3. Lessons

- Honour and obey parents (Exodus 20:12; Ephesians 6:1–3).
- Family is a place of growth in wisdom, stature and character.
- Jesus shared ordinary human family life while remaining the Son of God.
- Respect for family does not prevent us from putting God first when necessary.

4. Summary

Jesus had a human family and obeyed His parents. His example teaches us to honour our parents and to grow in wisdom and godliness within the family.
