

TOPIC 1: REVISION OF JSS1 QUR'ANIC RECITATIONS

1. Purpose of Revision

Revision of JSS1 Surahs strengthens memorisation, improves Tajwid and prepares students for new Surahs. Consistent practice preserves the Qur'an as it was revealed.

2. Surahs to Review

- **Suratul Tariq (Q86)** – The Night-comer; themes of creation, accountability and the Qur'an as a decisive word.
- **Suratul Buruj (Q85)** – The Constellations; story of the People of the Trench, Allah's power and the preservation of the Qur'an.
- **Suratul Inshiqaq (Q84)** – The Splitting Asunder; Day of Judgement, record of deeds, striving in life.

3. Pronunciation and Tajwid Practice

Review correct articulation points (Makharij), basic rules of Nun Sakinah/Tanwin and Mim Sakinah from JSS1. Read slowly, listen to a correct model, and correct common errors. Aim for clarity, fluency and proper pauses.

4. Summary

Regular revision of previously learned Surahs with correct Tajwid builds a strong foundation for further Qur'anic study.
