

TOPIC 6: SOLUTIONS TO HUMAN TRAFFICKING

1. Prevention Strategies

- Education and awareness campaigns in schools and communities
- Poverty reduction and creation of genuine job and education opportunities
- Strong laws and effective enforcement against traffickers
- Birth registration and secure identity documents
- Parental and community vigilance; questioning suspicious offers of work or travel

2. Protection and Support for Victims

- Rescue and safe shelter
- Medical care (physical and mental health)
- Counselling and rehabilitation
- Legal assistance and, where appropriate, return to family or safe reintegration
- Non-criminalisation of victims

3. Role of Individuals and Students

- Refuse suspicious job or travel offers; verify information with trusted adults
- Report suspected trafficking to authorities (police, NAPTIP in Nigeria, school authorities)
- Support peers and avoid stigmatising survivors
- Promote respect for human dignity and rights

4. Summary

Solutions include prevention through education and opportunity, strong law enforcement, and care for survivors. Every person can help by staying alert and reporting concerns.
