

Week 3: Expliquer ses habitudes

JSS3 French — First Term Lesson Note (Deep-Dive Edition)

Introduction

This week teaches students to describe their daily routine and regular activities (**les habitudes**) using common reflexive verbs and frequency expressions.

Vocabulaire: La routine quotidienne (Daily Routine)

Français	English
se réveiller	to wake up
se lever	to get up
se laver	to wash oneself
s'habiller	to get dressed
prendre le petit-déjeuner	to have breakfast
aller à l'école	to go to school
faire les devoirs	to do homework
se coucher	to go to bed

Expressions de fréquence (Frequency Expressions)

tous les jours (every day), chaque matin (every morning), le soir (in the evening), d'habitude (usually), souvent (often), toujours (always)

Grammaire: Les verbes pronominaux au présent

Reflexive verbs (like *se lever*) use a reflexive pronoun that matches the subject:

Sujet	Pronom réfléchi	Exemple (se lever)
je	me	je me lève
tu	te	tu te lèves
il/elle/on	se	il se lève
nous	nous	nous nous levons
vous	vous	vous vous levez
ils/elles	se	ils se lèvent

Exemple de routine

Tous les jours, je me réveille à six heures. Je me lave et je m'habille. Ensuite, je prends le petit-déjeuner et je vais à l'école. Le soir, je fais mes devoirs et je me couche à vingt-deux heures.

(Every day, I wake up at six o'clock. I wash and get dressed. Then I have breakfast and go to school. In the evening, I do my homework and go to bed at ten o'clock.)

Real-Life Application
