

TOPIC 6: BALL GAMES – HOCKEY (PART 2)

1. Key Officials and Duties

Umpires control the game, apply rules and ensure safety. Other officials may include scorers and timekeepers. Players and coaches must respect officials' decisions.

2. Facilities and Equipment

Field (pitch) with goals; hockey sticks; ball; shin guards; mouth guards (recommended); appropriate footwear. Goals and markings should meet standard dimensions for the level of play.

3. Positions of Players

Typically: goalkeeper; defenders; midfielders; forwards. Formations vary (e.g. more defensive or attacking). Each position has roles in attack and defence; teamwork links them.

4. Values / Importance of Hockey

Develops fitness, coordination, cooperation, discipline and strategic thinking. Provides recreation and competitive opportunity; can lead to higher-level sport and careers in coaching or officiating.

5. Summary

Officials, equipment, positions and values complete the picture of hockey as an organised, beneficial team sport.
